

RENEW

At Nalluri Plastic Surgery

RENEW offers professionally rendered medical spa products & services to rejuvenate & refresh with less downtime, pain, & cost than surgical treatments.

Provided by Board Certified Plastic Surgeon Raja Nalluri, M.D., you can count on us for safe and effective treatments. Conveniently located at 2100 S. Tamiami Trl Ste 200 (corner of US 41 & Datura St) in Sarasota, FL.

BOTOX Cosmetic

Injection temporarily disables muscles from creating skin wrinkles between your eyebrows, forehead and/or crow's feet. Results vary and last for about 3 months, but can last up to 6 months with repeated use. \$500-\$800 for most applications. Risks include eyelid droop and reduced facial muscle movement.

Microdermabrasion

Provides a gentle exfoliation that removes your outer skin layers to reveal your deeper, smoother and more beautiful skin. For a painless difference that you can see and feel. Recommended every 4-6 weeks. \$125.

Laser Hair Removal

Staged application of intense pulse light (IPL), reduces unwanted hair growth. Safe, effective results require 3-9 treatments with the target for therapy 90% reduction of hair growth. Number of treatment sessions & results may vary and are not guaranteed. Face \$75, Underarms \$100, Hands/Feet \$50, Arms \$200, Legs \$325, Bikini \$100-\$200, Chest/Back/Abdomen \$100-\$400.

Photo Facial Laser Resurfacing

The IPL laser is performed with minimal pain to yield mild improvements by collagen realignment and facial smoothing with rapid recovery. Face \$500.

Laser Treatment for Skin Spots

IPL laser is applied for smoothing unwanted blemishes and other color changes in sun damaged skin. \$200.

Restylane/Juvederm

Injection of this soft tissue filler reduces prominence of folds and wrinkles and lasts for about a year. Commonly applied to the folds surrounding the mouth and lips or directly into the lips for more fullness. \$ 550 per cc.
